Two free tax workshops will be offered to businesses in Washington and Iron counties Oct. 23 and 24 at Dixie State College.

The workshops will help new and current business owners better understand the complexities and changes in state sales tax and federal income tax law.

The Thursday, Oct. 23, workshop runs from 8:30 a.m. to 12 noon and will help new business owners understand and comply with Utah's laws governing sales and use tax.

Participants will learn about licensing requirements, exempt and taxable sales, tax rates, remittance and filing returns. The Utah State Tax Commission sponsors this workshop.

The Friday, Oct. 24 workshop, sponsored by the Internal Revenue Service, will focus on withholding taxes for the small business employers. It will be held from 8 p.m. to 4 p.m. and cover withholding taxes, tax forms, depositing taxes, and implementing health plans.
